

**DISCOVER
AN EVERYDAY
ADVENTURE**

Volunteer Development Officer wanted to support local Scouting in South Ayrshire.

Scouting is growing, especially true here in Kyle and Carrick.

The Scout District, the people who support your local Scout Group are seeking someone with energy and enthusiasm to lead an adult recruitment campaign in the role of District Development Officer

The District Development Officer will be responsible for driving forward the Adult volunteer recruitment campaign in the area which is needed to support existing (overstretched) adults to provide more activities, adventure and fun to those youngsters who are very keen to join us.

So how can you help?

We are looking for someone who wants to make a difference in their local community, someone who has the enthusiasm and enjoys working with adults. Do you know someone who has the ability to recruit others? Do you know someone who can help this Scout District grow so that more young people have the opportunity to experience the adventure and fun of Scouting? Are you interested in finding out more?

What's in it for you?

You will know that you are making a difference as adult members start to rise and we are able to take in more youngsters.

The skills that you will use as a District Development Officer will enhance your CV and this new experience should be of great interest to prospective employers in the future.

Know nothing about Scouts? That's not a problem, you will be working with our District Team of adults who will teach you everything you need to know and we also have a fantastic training scheme that can lead to a certified OCN or ILM qualification.

Why is this so important to Kyle and Carrick Scouts?

We believe that Scouting in Kyle and Carrick already provides an amazing service to young people and for this to continue and grow more adults are needed. Our Chief Scout — Bear Grylls — has said 'Flexible volunteering means I can fit Scouting around my family and other commitments. You can do that too!'

We now need your support in finding the right person to inspire, motivate and recruit others.

If you would be interested, or if you know anyone who may be interested, please contact me as the District Chairman for a chat to find out if this role could be for you.
