

## South West Scotland Training Newsletter and Dates 2010/11

Below you'll find the details of all the courses being run this year in South West Region. There have been a few changes this year, especially to do with Module 16 Nights Away, so please take time to read the information. There is also a list of the module numbers and what that module covers so that you know what the content of the module is.

### 1. Module 16 – Nights Away

There has been a change to Module 16 – Nights Away. Until now, in order to get your wood badge you've had to do module 16 – Nights Away which was a weekend camping course. Some leaders felt that as they didn't want to take young people away they shouldn't have to do a weekend camping. Now the rules have changed.

From November 2010 Module 16 will be a shorter course, approx 2 ½ hours, much the same as the other modules. It is called **Module 16 – Introduction to Residential Experiences** and will give leaders an overview of the reason for residential experiences for young people and an insight into their organisation and planning. Every leader will need to complete this module as part of their Wood Badge. Having completed this course however will not give leaders the practical skills they need to apply for their Nights Away permit.

A new module has been introduced **Module 38 – Skills for the Residential Experiences**. This is an optional module. It aims to enable leaders to acquire the appropriate skills to plan and run successful residential experiences for young people. It will provide the skills needed for a Nights Away Permit. This module will be run as a two day, camping course.

### 2. Modules

All new leaders should have been given the **Adult Personal File** which explains the modules in detail. If you don't have one contact your Assistant District Commissioner Adult Training. All new leaders should also have been linked with a Training Adviser who will guide them through their training. If you don't have a Training Adviser contact your ADC and let them know.

**Which Modules do you need to do?** - Leaders working in a section need to complete Modules 1 – 3 and 5 – 19. GSL's and Commissioners need to complete modules 1,2 and 4, 5 – 10 and 20 – 26.

**Getting Started** – before you can get your full warrant as a leader you must complete Getting Started which is run in your own District. Getting Started covers modules 1, 2, 3 and 12. Module 2 is where you sit down with your Training Adviser and work out what modules you need to do, how you are going to do them and how you will validate them.

**How can you complete the modules?** – There are lots of ways to complete the modules. Your Training Adviser will be able to help you with this. Here are the ways you can complete the modules;

**Courses** – There is a full programme of one day courses planned for the coming year. Every module will be available both in the north of the region and in the south of the region, details below. Each day covers 3 or 4 modules.

**Weekend Courses** - Some leaders find it easier to do a series of one day courses others have said they would rather do the courses quickly over a weekend. This year we are running two pilot weekend courses, one in February as a pilot on Arran and one in September elsewhere in the region. The programme for the weekend has not been finalised but will cover a lot of the modules. Any not covered will be available in a different format e.g. DVD, workbook, e learning.

**Alternative Methods** – You don't always need to attend a course to complete a module. Some of the modules can be done on e learning packages, DVDs and workbooks. It may be that because of your prior experience you don't need to do the learning for the module. This will have been agreed with you by your training adviser.

### 3. Validation

Once you have completed a module you then need to validate it by meeting with your training adviser. The Adult Personal File lists all the ways you can validate the modules.

## 5. First Aid

Each District will run a First Response Course which is the one day first aid course the scout association recommend. It is Module 10 in the Training Scheme and all leaders must hold this as a minimum.

A full first aid course will also be planned during the year. This is particularly suitable to scout, explorer scout and network leaders. Details of this will be circulated later in the year.

## 6. Attending a Course

**Timings** - All full day courses will start at 10.00 am with coffee from 9.30am unless it says otherwise.

**Cost** – Leaders should not have to pay for courses. The cost should be met by the group or, in some cases, the district. The District treasurer will be billed for the cost of the course and they will then bill the groups so there is no need to send money with the application.

### How to apply

If you are interested in attending a course you should fill in the attached application form and send it to the person mentioned above as course director. Contact for all course directors are given at point 6 Training Contacts. All applications should be sent to the course director at least 4 weeks prior to the course. Please help us by applying on time.

If it is a one day course you should bring a packed lunch. Tea, coffee biscuits etc will be provided. Weekend courses will be catered for.

Names and addresses for all of the team are given below. All the training dates contact details and applications forms are on the regional website on [www.scouts-southwestscotland.org.uk](http://www.scouts-southwestscotland.org.uk)
